Reframing the Narrative

In addition to the keynotes, the conference features a wide range of breakout sessions designed to be of interest to coalition members, clinicians, educators, public health professionals, clergy, first responders, and anyone interested in suicide prevention on a local and statewide level.

Thank you to our sponsors!

Mental Health America of Wisconsin administers Prevent Suicide Wisconsin and coordinates the Prevent Suicide Wisconsin Conference under a contract with the Department of Health Services and in collaboration with the Prevent Suicide Wisconsin Steering Committee.
