PROVIDING AN INNOVATIVE
APPROACH TO MOBILE CRISIS
INTERVENTION SINCE 1989

WHITE BIRD CLINIC PHILOSOPHY

CLIENT-CENTERED SERVICES

HARM REDUCTION MODEL

TRAUMA-INFORMED CARE

CONSENSUS-BASED COLLECTIVE

- CAHOOTS Behavioral Health First Response teams are staffed with a Crisis Intervention Worker and EMT.
- New staff go through an average of over 500 hours of field training and over 30 hours in the classroom.
- Team members are unarmed and rely on verbal de-escalation.
- Emphasis on support and stabilization in the field—*least intervention necessary*.

FUNDING

Annual cost of operations for 24/7 coverage (60 service hours/day) in the Eugene-Springfield Metro Area totals approx. **\$2.2 Million.**

Eugene services are funded by the City of Eugene, with city limits as our jurisdictional boundary.

Springfield services are funded by the City of Springfield and Lane County Health and operate within the urban growth boundary.

BUDGET BREAKDOWN

- **Total Revenue for FY 19-20: \$2.2 Million**

Cities of Eugene and Springfield: \$850,000

Lane County: \$830,000

Medicaid Wraparound: \$46,000

Other Revenue and Donations: \$525,000

*An estimated additional indirect cost of \$250-300,000 covers CAHOOTS use of public fleet vehicles and PSAP for service delivery.

■ City ■ County ■ Wraparound ■ Other Revenue and Donation

MORE SUPPORT IS NEEDED

- Current funding is not sustainable
- Diversion savings not reflected in financial support
- Wages, recruitment and retention, training

Nation looks for a CAHOOTS blueprint while locals want more of its services

CAHOOTS SERVICES INCLUDE BUT ARE NOT LIMITED TO:

- Crisis Counseling
- Suicide Prevention
- Conflict Resolution and Mediation
- Grief and Loss
- Welfare Checks
- Substance Abuse
- Housing Crisis
- Harm Reduction
- First Aid and Non-Emergency Medical Care
- Resource Connection and Referrals
- Transportation to Services
- IPFV Co-Response

DISPATCH INTERFACE

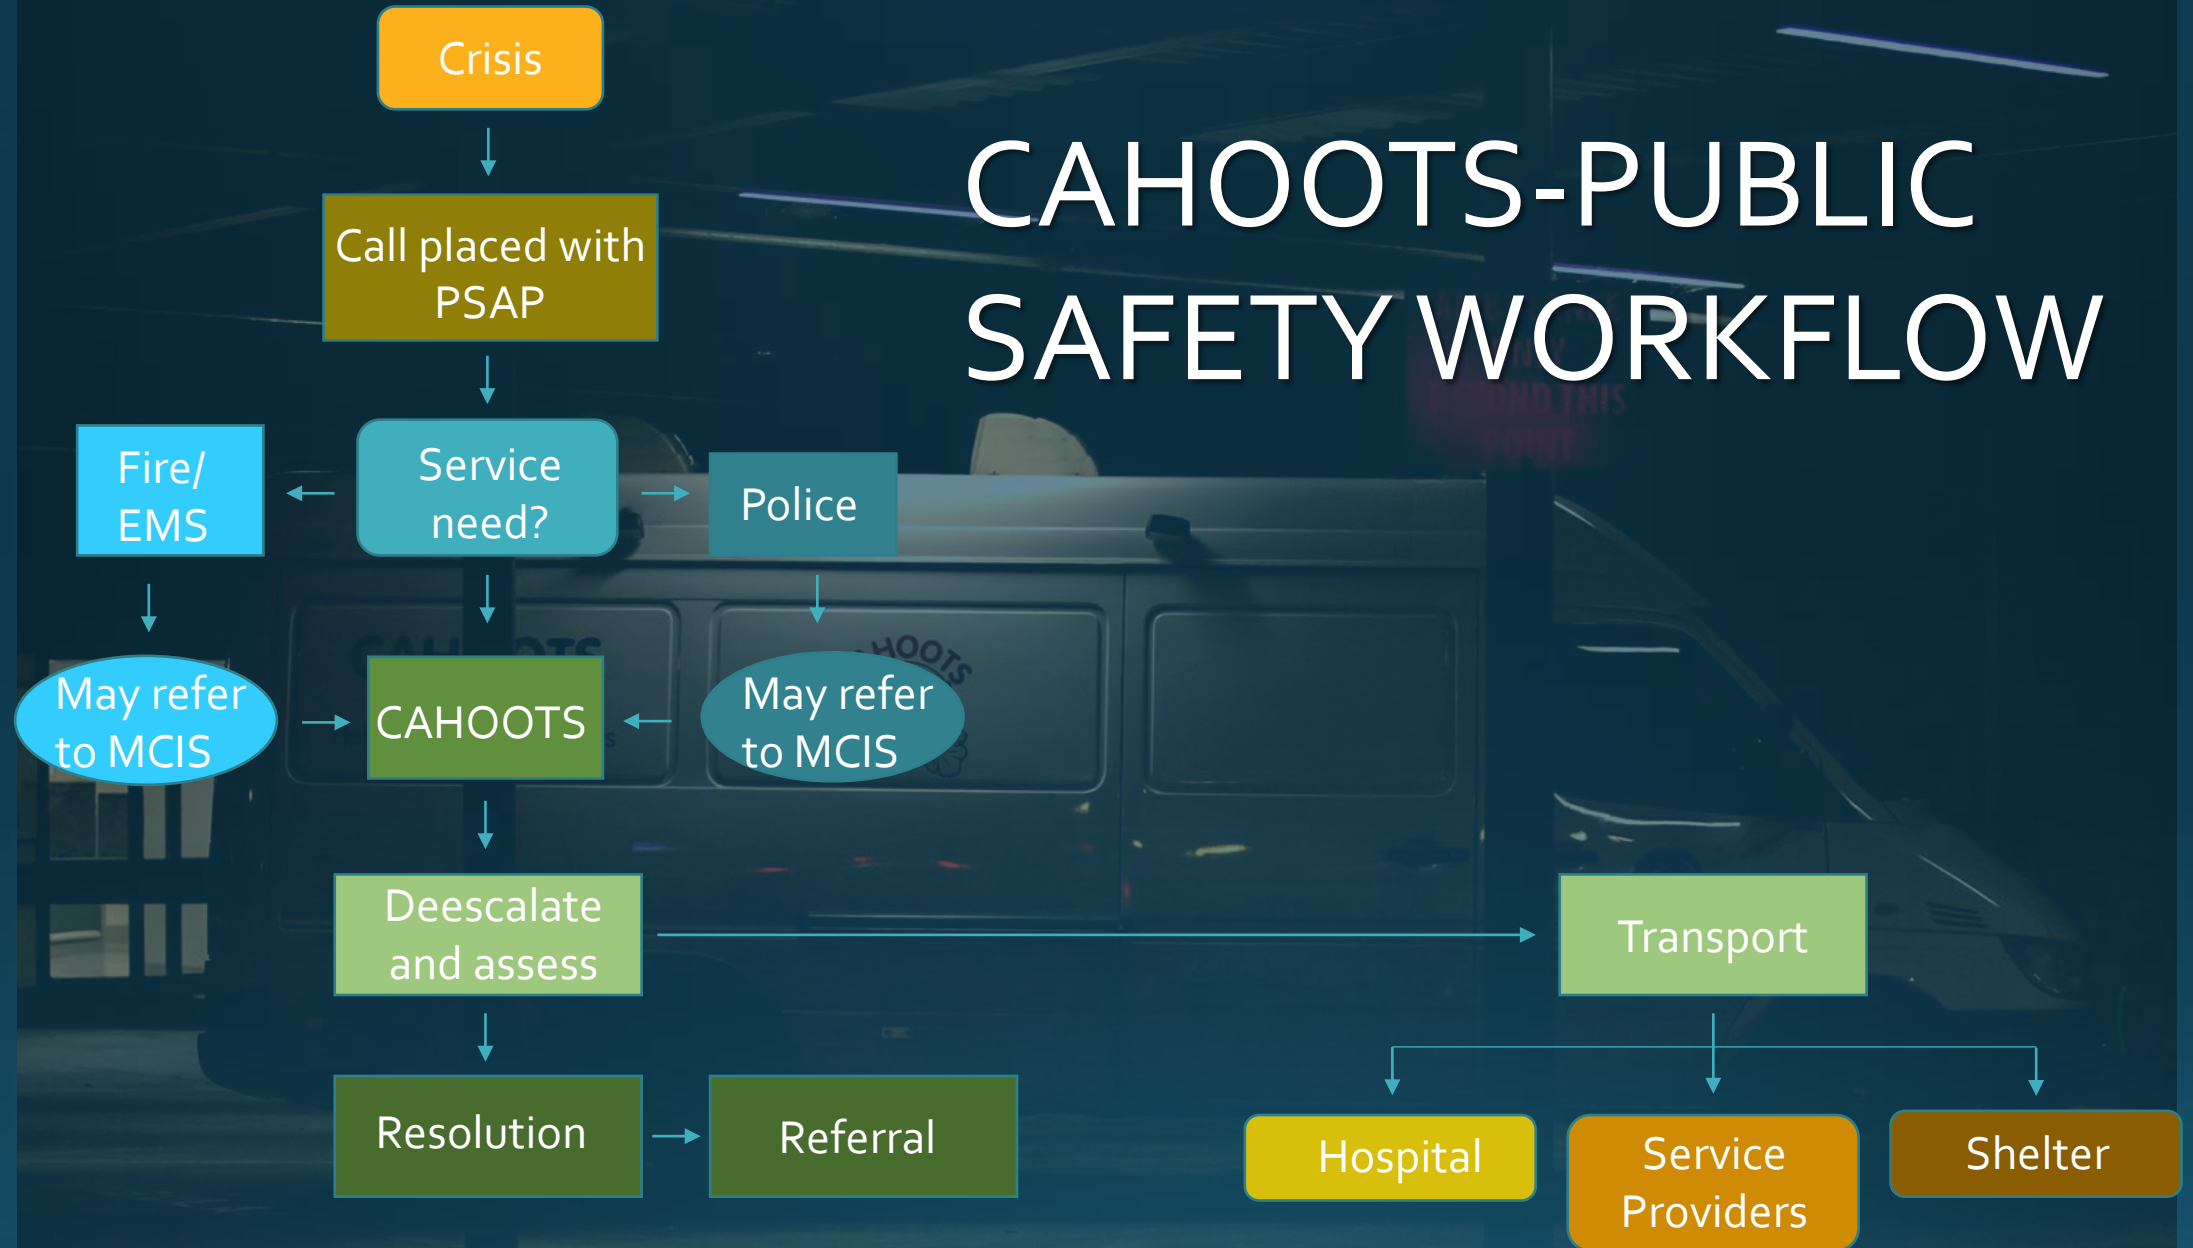

Requests for service are received via Public Safety Answering Points (PSAP) in Eugene and Springfield.

Calls are triaged by call-takers and dispatchers.

CAHOOTS teams are dispatched via radio on non-priority police channels.

CAHOOTS-PUBLIC SAFETY WORKFLOW

CAHOOTS CALLS FOR SERVICE

- 105,000 CFS requested through Eugene Police Dispatch in 2019
- Approx. 18,000 involved CAHOOTS Response
- 15,000 dispatched to CAHOOTS as sole response
 - Of these, 13,000 CFS would have required Patrol or Fire/EMS Response
- Estimated rate of diversion from arrest/criminal legal involvement: 5-8%
- Total of only 311 requests for patrol cover (includes aggressive patients and assists for POH).

EMERGENCY ROOM DIVERSION

CAHOOTS teams divert a significant number of medical calls for service from Fire/EMS and/or the Emergency Room, transporting or treating according to need versus fear of liability.

- Primary Assessment
- Wound Care
- Medication Management
- Substance Use Disorders
- Suicidal Ideation/Risk Assessment
- Failure to Thrive
- Isolation and Loneliness
- Lift Assists
- Chronic Utilizers/Frequent Fliers

CAHOOTS Reduces Ambulance and Emergency Department Costs

Call Type	Patient Calls	% Diverted	Patients Diverted	Ambulance Cost	ED Cost	Total Savings
Medical	3180	67%	2131	\$1,859	\$2,818	\$9,964,816
Behavioral Health	1,362	73%	994	\$1,859	\$2,818	\$4,650,154
All Calls	4,542	70%	3,179			\$14,870,054

- CAHOOTS services reduce population health spending, increase efficacy of medical treatment, and reduce hospitalizations.
- Total savings to the community in 2018 is estimated at \$14.8 Million; of that total, approx. \$4.1 Million came in the form of savings to Medicaid

COST SAVINGS FROM ER DIVERSION

CRIMINAL LEGAL DIVERSION

CAHOOTS services divert patients from the criminal legal system by responding to many call types which may have otherwise resulted in contact with law enforcement. EPD estimates CAHOOTS saves \$2.2M per year in officer labor and arrest divert rate of 5-8%.

- Public Intoxication
- Disorderly Behavior
- In Traffic/Roadway
- Dispute and Mediation
- Trespassing/Prohibited Camping
- Secure Sobering

The STAR Van Offers an Alternative to Police

Caring for Denver's STAR van sends a paramedic and clinician to non-criminal 911 calls. The goal is to avoid unnecessary officer involvement—and to find gaps in Denver's support systems.
